Dear Ones,

It seems to be a popular activity among some Christians today to hold a low view of the Church of Jesus Christ. Some folk want to love Jesus, but do not want to be an active, functioning part of his body. Some folk simply give no time or attention to being among the Lord's people when they gather on the Lord's day. Then there are those who feel the need to be vocal in their criticism of the Church for which Jesus died.

I preached from latter part Ephesians 5 this past Sunday morning. It is the passage that tells women to submit to their husbands in all things. It is the passage that tells husbands to love their wives as Christ loved the Church. It is the passage that compares the marriage relationship to the relationship of Jesus to the Bride of Christ. It is just one of a number of passages that encourage me to love Jesus and His Church.

This year's "FALL ENCOUNTER" (November 1, 2) will begin with a message from one who loves the Lord's Church! Victor Knowles, President of Peace on Earth Ministries (www.poemministries.org) will bless our congregation as he tells us "*What Right With The Church!*" He will preach on Sunday morning, "*Ask Not, 'What Can My Church Do for Me?' Ask, 'What Can I Do for My Church?'*" I hope you will arrange your calendar so you can be here for the "FALL ENCOUNTER." You will be encouraged and will be an encouragement to others!

Lord Bless, *Preacher Jack*

Youth Minister's Post

It's hard to believe that **Nationwide Youth Roundup 2015** will be here before we know it. The dates for **NYR 2015** are July 24-31. Even though it is only October it's time to start thinking about fundraisers already. Our first fundraiser is going to take place on Saturday, November 1, 2014. We will be having a Baked Potato Bar Fundraiser in the church basement from 6-6:45 PM. This will be a free will donation type of fundraiser....pay what you want, eat what you want. The money that we raise will go towards purchasing items to help improve our campsite. We are in need of two 12'x40' tarps to cover our tents in order to keep them dry. A 10'x10' instant canopy to go over our cooking area. A storage tote that will make storage and transportation of our 10'x20' kitchen tent much easier. We need several strands of rope lights to help light our way around the campsite, kitchen tent, and stairs. We may also need to buy steel t-post to help improve or make new sites for our tents. Other cost may include helping pay for fuel or food for the week.

In Christ, *Josiah Holloway*
